September, 2009

Greetings,

This is our first letter to announce that it is time for another “ Big One,” an all class reunion for everyone who attended Worthington High School. The last one in 2005 was well received and enjoyed by all who attended. We have selected Saturday June 19, 2010 for the big day with the possibility of extending it again for a second day, which if it goes as the last second day it will actually be a half day.

The reunion committee has been meeting and plans are being put together. It will again be held at the original school site with the format being similar to what we have used in the past. There will be lots of time for visiting, food will be available for purchase and group and individual pictures will be taken. We expect to have the customary cups and shirts for your purchase, but it may only be by preorder to avoid the over purchase problem we have had previously. The souvenir book will again be available for purchase.

There are still nearly 2000 of us left, so we have the potential for a great get together, especially if the classmates from the 1970's and 1980's come. Please begin to make your plans to attend and encourage others to do likewise. Your input is important to us so please communicate your ideas or concerns that would improve the reunion in a way that is convenient for you.

We have an email list of about 350, but we are missing many that are available. Communicating to you via email can save us an enormous amount of money by avoiding snail mail. The attached return form allows you to provide your email address for future updates. There will probably be only one more physical mailing close to the date of the reunion to give you the final details. This physical mailing will be limited to those who have not provided email addresses.

We are asking those who are able to make preliminary contributions to defray start up costs. We hope to put together this reunion as cost efficient as we can. Please use the form attached for this also.

As you are aware our group only gets smaller as each year passes by, so do not pass up this opportunity to reunite with classmates and friends who were so much a part of your life at Worthington High School. “Go Bisons.”
